# CONNECTIVITY & INSIGHTS THAT KEEP YOUR BUSINESS MOVING FORWARD

### MAKE MANAGING YOUR FLEET EASIER.

Connect, protect and get the most out of your fleet with OnStar®. Access safety services, vehicle insights, API and data insights, and provide your workforce Wi-Fi®8 connectivity with built-in vehicle features. No matter how your business operates, there are options that can meet your needs simply by leveraging connected data from your vehicles, so you can be more effective at optimizing your bottom line.

### **EXPLORE VEHICLE PLANS**

Start turning your insights into action with OnStar.

### Provide Peace of Mind

Protect your people and assets with a variety of connectivity features like Automatic Crash Response<sup>32</sup>, Stolen Vehicle Assistance<sup>33</sup> and In-Vehicle Coaching<sup>34</sup>.

### Optimize Operations

Review trip history and vehicle idle time details to make sure vehicles are operating as efficiently as possible.

### Monitor Maintenance

Receive diagnostic information, such as low oil life and other vehicle health details.

### Conquer Charging

Easily locate charge stations on the same map view as your fleet vehicles.

## PARTS & SERVICE PROGRAMS TO MAXIMIZE UPTIME

Being a GM Envolve customer gives you access to a variety of parts and service programs that can help keep your fleet more efficient and productive, no matter how you service your vehicles. From support tools to information about limited warranties and vehicle maintenance, there's help available every step of the way.

### Click the topics below to learn more.

# PROFESSIONAL VEHICLE LIMITED WARRANTY<sup>1</sup>

ESCALADE/ESCALADE ESV/XT5/XT6 LIVERY EQUIPPED BY GM UP TO 3 YEARS OR 240,000 KM<sup>2</sup> (WHICHEVER COMES FIRST) XT5 LIMOUSINE<sup>3</sup>/FUNERAL HEARSE<sup>3</sup> EQUIPPED BY GM UP TO 6 YEARS OR 160,000 KM<sup>2</sup> (WHICHEVER COMES FIRST)

Offer your clients the iconic prestige they deserve with Cadillac Professional. Richly appointed and crafted for perfection, each Cadillac livery vehicle is meticulously designed to exude sophistication and envelop passengers in luxury and comfort.

Eligible livery vehicles offer the confidence of the Cadillac Professional Vehicle Limited Warranty. This available comprehensive package covers key components for up to 3 years or 240,000 kilometres² (whichever comes first) or up to 6 years or 160,000 kilometres² (whichever comes first) depending on the vehicle and the program. Plus, Cadillac premium care maintenance⁴ and 24-hour Roadside Assistance⁵ help keep your vehicles on the road.

The Cadillac Professional Vehicle Limited Warranty is an extended warranty for Cadillac Professional Vehicles that runs concurrently with the Cadillac New Vehicle Limited Warranty. Vehicles equipped with the Professional Vehicle Limited Warranty will not have the Powertrain Component Warranty Coverage.

1 Following the time or odometer expiration of the Cadillac 4 year/80,000 km (whichever comes first) New Vehicle Limited Warranty, vehicle repairs of systems and components under Professional Vehicle Limited Warranty will be made without charge, including parts and labour, except for the first \$50.00 of repairs costs, (2019 and Prior Model Years; 2020 and Subsequent Model Years have no Deductible) incurred at each service visit to a participating Cadillac dealer. Coverage through this plan begins on the date the vehicle is first delivered or put into use. This will be the date the Cadillac Service Agent sells the short stretch chassis (W30), limousine chassis (V4U), or funeral coach (hearse) chassis (B9Q) to the Cadillac Master Coachbuilder. The actual selling date can be modified for the end customer if the selling Cadillac Service Agent or Cadillac Master Coachbuilder Dealer/Distributor submits a "Delayed Warranty Start" form. Repairs must be performed by authorized Cadillac Service Agent Facilities. 2 See dealer for Professional Vehicle Limited Warranty details. 3 Any parts added or modified for conversion are excluded from protection. Conversions are expected to meet Canada Motor Vehicle Safety Standards (CMVSS) when completed, and be within weight limitations as specified by GM. 4 Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco Oil and Filter Change/Tire Rotation. Does not include air filters. See participating dealer for other restrictions and complete details. 5 6-year/160,000-kilometres Roadside Assistance. Whichever comes first. See dealer for details.

# HOW TO ESTABLISH A NEW GM ENVOLVE

# FLEET ACCOUNT NUMBER (FAN)

#### **DETERMINE IF A PROSPECT IS QUALIFIED**

Fleet Account Numbers are assigned to Qualified Fleet Users (defined below) upon application to General Motors and GM Envolve (GM) through the GM Fleet Account Number System (GMFANS).

#### **ENROLLMENT FORM TERMS AND CONDITIONS**

A "Qualified Fleet Customer" is defined as:

- A business organization that maintains a minimum of five (5) vehicles licensed and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that, after its present acquisition, will maintain five (5) or more vehicles licensed and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that places an order for or purchases three (3) or more new GM vehicles at one time for business purposes; supporting documentation must be retained by the dealer and made available to GM Canada upon request
- Government/Government Regulated Utilities/Public Schools/Medical Hospitals no existing fleet or minimum number of orders at one time is required

New motor vehicles ordered under fleet must be delivered to a Qualified Fleet Customer. In addition, vehicles must be registered and kept in fleet service in Canada by the first Qualified Fleet Customer for a minimum of six (6) months and 12,000 km from the date of delivery.

By executing the Enrollment Form, the Fleet Customer certifies and agrees that no motor vehicles will be purchased or leased, directly, for export, sale, or use outside of Canada (excluding use related to occasional business and/or personal travel) and no such sale, use, or export will occur. Fleet Customer also agrees that it will not induce, by any means, any dealer to breach the export and/or resale terms of their Dealer Agreement with GM Canada or any of the terms of this agreement and acknowledges that it will be responsible in damages to GM Canada and its affiliates for any such interference with the contractual terms between GM Canada and a dealer or any breach of this agreement.

Violation of this policy by a dealer or a Qualified Fleet Customer will result in a chargeback to the dealer or Qualified Fleet Customer (or both) being disqualified from further participation in fleet programs. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

Additional Qualified Fleet Customer eligibility requirements for specific fleet programs, as issued by GM Canada to its dealers from time to time, will be made available to Qualified Fleet Customers by the selling dealer as required. The Qualified Fleet Customer further agrees to provide, upon request by GM Canada or the selling dealer, access to original business records confirming that vehicles were registered, used, and transferred only in accordance with GM Canada program requirements.

In the event (1) a Qualified Fleet Customer orders new motor vehicles from a dealer and identifies them as fleet units eligible for GM Envolve) programs, and (2) the vehicles are not used by Qualified Fleet Customer in accordance with program requirements, GM Canada will take appropriate action, which may include the disgualification of the Qualified Fleet Customer and/or dealer from future participation in fleet programs, and the issuance of a chargeback against the dealer and the Qualified Fleet Customer for any special allowances, incentives, special option packages, or other promotional programs which GM Canada paid or credited to the dealer or identified Qualified Fleet Customer as a result of inaccurate representations. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

### **CANADIAN SOLUTIONS CENTRE**

gmenvolvesolutionscentrecanada@gm.com 1-800-866-0313 | gmenvolve.ca

# **HOW TO ESTABLISH A NEW GM ENVOLVE**

# FLEET ACCOUNT NUMBER (FAN)

# **CANADIAN SOLUTIONS CENTRE**

gmenvolvesolutionscentrecanada@gm.com

1-800-866-0313 | gmenvolve.ca

Qualified Fleet Customer for any special allowances, incentives, special option packages, or other promotional programs which GM Canada paid or credited to the dealer or identified Qualified Fleet Customer as a result of inaccurate representations. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

#### IF A PROSPECT IS QUALIFIED

A General Motors dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANs website. The following information is required:

- 1. Name of business
- 2. Both physical and mailing addresses (if different)
- 3. Phone number
- 4. Email address
- 5. Fleet composition
- 6. Qualified Fleet Customer Enrollment Form

Upon completion of the enrollment application on the website, the dealer will submit this document electronically. Upon processing, a General Motors FAN will be issued, and the requesting dealer will be advised of the FAN via email.

All supporting documentation of the prospect's fleet eligibility must be retained at the dealership submitting the enrollment application.

# **IMPORTANT**

Information contained in this reference guide is intended to be a quick reference digest only. In no way does it supersede program dealer letters or guidelines. To assure accuracy, check official documents before placing any orders. Specific questions or requests for assistance should be addressed to Canadian Solutions Centre.

## **GENERAL DISCLAIMERS**

Some of the equipment shown or described throughout this guide may be available at extra cost and/or supplied by an independent supplier. We have tried to make this guide comprehensive and factual. We reserve the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models, and availability. Specifications, dimensions, measurements, ratings, and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes, and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of release, please check with your GM dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims are based on the latest available competitive information. Excludes other GM vehicles.

GM vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries, or suppliers to GM worldwide. We sometimes find it necessary to produce GM vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

See your local GM Envolve Account Manager or Dealer Fleet/Commercial Sales Manager, or go to gmenvolve.ca for up-to-date information.

#### **TRADEMARK**

The marks appearing in this guide including, but not limited to: (i) GM and the GM Logo; (ii) Chevrolet, Buick, Cadillac, and GMC and their respective logos, emblems, slogans, and vehicle model names and body designs; and (iii) other marks, such as Autotrac, GM Envolve, Duralife, Duramax, EcoTec3, Magnetic Ride Control, QuietTuning, Regen On Demand, SkyScape, StabiliTrak, UltraView, Z71 and ZR2, are trademarks and/or service marks of GM, its subsidiaries, affiliates, or licensors. OnStar and the OnStar emblems are registered trademarks of OnStar LLC.

Apple CarPlay is a trademark of Apple Inc. Siri, iPhone, and Apple Music are trademarks of Apple Inc. registered in the U.S. and other countries. Android Auto is a trademark of Google LLC. Brembo is a registered trademark of FRENI BREMBO S.P.A. The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. Wi-Fi is a registered trademark of Wi-Fi Alliance. Bose and Centerpoint are registered trademarks of the Bose Corp. SiriusXM, the SiriusXM logo, channel names, and logos are trademarks of SiriusXM Radio Inc. and are used under licence. Allison Transmission is a trademark of Allison Transmission, Inc.

# AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original-equipment vehicle or chassis distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The independent special body company, assembler, equipment installer or upfitter is solely responsible for warranties for any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies manufactured by GM. GM is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such independent suppliers.

- 1. Cargo and load capacity limited by weight and distribution.
- 2. When properly equipped. Available engine or equipment may be required. See dealer for required specifications. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. See dealer for details.
- 3. Premium paint; additional cost.
- 4. GM estimated based on development testing and/or analytical projection consistent with SAE J1634 revision 2017 MCT. Official estimates are not available for this model. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading, and how you use and maintain your vehicle.
- 5. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings, and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
- 6. Requires professional installation of an 11.5-kW (up to 48-amp max. output) wall charger on a dedicated 240V/60A circuit, sold separately. May require upgrades to the building's electrical service, panel or wiring. Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations.
- 7. Minimum 150-kW DC Fast Charger required. Requires use of public DC fast chargers, which have limited availability in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See Owner's Manuals for your vehicle and charger for details & limitations.
- 8. The vehicle must be on or Accessory power must be active to use the Wi-Fi Hotspot. Requires active OnStar trial or paid plan that includes vehicle data. Vehicle data plan will be consumed by Wi-Fi Hotspot and In-Vehicle Apps, as well as Voice & Maps apps already connected via your vehicle's OnStar Basics plan which you otherwise would have received at no additional charge (i.e., if you use Voice & Maps apps, not all of the data you are purchasing will be available for Wi-Fi Hotspot and In-Vehicle Apps). If your selected data cap is reached (based on total data consumed by Voice & Maps apps, Wi-Fi Hotspot and In-Vehicle Apps), Voice & Maps apps will continue to function for the duration of the Basics plan but you must purchase additional vehicle data plan(s) to use Wi-Fi Hotspot and In-Vehicle Apps. Data plans are provided by a select third-party telecommunication provider according to their terms and conditions. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, cell reception, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity and capabilities have additional terms and limitations and are subject to change, and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions.
- 9. Services enabled by Google built-in are subject to change at any time. Full functionality may require one or more paid subscription plans. Certain Google actions and functionality may require account linking. Connectivity is dependent on compatible wireless networks provided by third-party wireless service providers and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions, and geographical and technical restrictions. See onstar.ca for details and limitations. Google, Google Play, Google Maps, Waze and other marks are trademarks of Google LLC.
- 10. Go to my.gm.ca to find out which phones are compatible with the vehicle.
- 11. OnStar Fleet Basics includes access to remote commands through your vehicle's mobile app (compatible smartphone required); Automatic Crash

- 15. Subscriptions sold separately by SiriusXM after the trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates, plus fees and taxes, until you call 1-888-539-7474 to cancel. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.ca to see complete terms. Some services and features are subject to device capabilities and location availability. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless GM connected vehicle services is enabled in the vehicle. Content varies by SiriusXM subscription package. ©2025 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence. SiriusXM Canada products, programming, fees and services are subject to change.
- 16. Not compatible with all devices.
- 17. Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. See chevroletsupercruise.ca/gmcsupercruise.ca for compatible roads and more information. Requires active Super Cruise trial or paid subscription. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity, and capabilities are subject to terms and limitations and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions. See onstar.ca for details.
- 18. Based on available Maximum Range battery for BrightDrop 400 and 600 AWD. GM-estimated range based on current capability of analytical projection consistent with SAE J1634 revision 2017 MCT. Actual range may vary based on several factors, including temperature, terrain, battery age, loading, and how you use and maintain your vehicle. Performance targets, estimates and capability specifications based on computer-aided analysis and simulation using virtual engineering tools.
- 19. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb.
- **20.** Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo, and equipment.
- 21. Feature may be limited when battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details.
- 22. CarPlay® interface is a product of Apple, and its terms and privacy statements apply. Requires compatible iPhone®. Data plan rates apply. CarPlay, Siri, iPhone and Apple Music are trademarks of Apple Inc.
- 23. Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC.
- **24.** Includes Automatic Emergency Braking, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, IntelliBeam and Following Distance Indicator.
- **25.** Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates may apply.
- **26.** The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See my.gm.ca for more information.
- 27. IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES: Installations or alterations to the original-equipment vehicle or chassis distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The independent special body company, assembler, equipment installer, or upfitter is solely responsible for warranties for any such changes (or any effect they may have) to any of the parts, components, systems, or assemblies

- 34. Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt and GM vehicles built without OnStar hardware, which includes, but is not limited to, select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostic capabilities vary by vehicle model. Not all issues will deliver alerts. Message and data rates may apply. In-Vehicle Coaching features vary by vehicle model and year. See onstarvehicleinsights.ca for details and limitations.
- **35.** Trial period for Super Cruise connectivity begins on vehicle delivery date. Paid subscription is required after trial period expires. Conditions apply. See chevroletsupercruise.ca/gmcsupercruise.ca for details.
- 36. Includes access to select remote commands through your vehicle's mobile app (compatible smartphone with data connection required). Paid subscription required after expiry. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity, and capabilities are subject to terms and limitations and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions. Non-refundable and no cash value. Up to 8 year period begins from date of vehicle delivery. See onstar.ca for details.
- 37. Requires use of public DC fast chargers providing at least 120 kW, which are very limited in Canada (approximately 300 units, which is subject to change) and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations.
- **38.** Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.gm.ca or see your dealer.
- 39. Does not include spray-on liner on tailgate due to Black composite inner panel.
- 40. Maximum Gross Combined Weight Rating (GCWR). When properly equipped; includes weight of the vehicle and trailering combination, including the weight of driver, passengers, fuel, optional equipment, and cargo in the vehicle and trailer.
- 41. Gross Axle Weight Rating (GAWR) is the maximum allowable weight to be placed on the individual axle.
- 42. Requires 6.6L Duramax® Turbo-Diesel engine and Max Trailering Package.
- **43.** Requires 3500 HD Regular Cab Long Bed 2WD DRW with available Duramax® 6.6L Turbo-Diesel V8, Max Trailering Package and gooseneck hitch.
- **44.** Requires 3.0L Duramax® Turbo-Diesel engine, Max Trailering Package, and 20-inch wheels and tires.
- **45.** Limited to low speeds. Read the vehicle Owner's Manual for important feature limitations and information.
- **46.** Requires available Accessory Power Bar and Power Station Offboarding Power of 7.2 kW.
- 47. U.S. and Canada only. OnStar links to emergency services. Always pay attention while driving and when using Super Cruise. Do not use a handheld device. See chevroletsupercruise.ca/gmcsupercruise.ca for compatible roads and more information. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, cell reception, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity, and capabilities have additional terms and limitations and are subject to change, and will vary by model, vehicle configuration, software version, conditions, and geographical and technical restrictions. In-Vehicle Apps only provides wireless connectivity for select in-vehicle apps. Apps supported by the plan are subject to change at any time: may be provided by third parties; and may require accounts and/

if you use Voice & Maps apps, not all of the data you are purchasing will be available for Wi-Fi Hotspot and In-Vehicle Apps). If your selected data cap is reached (based on total data consumed by Voice & Maps apps, Wi-Fi Hotspot and In-Vehicle Apps), Voice & Maps apps will continue to function for the duration of the Basics plan but you must purchase additional vehicle data plan(s) to use Wi-Fi Hotspot and In-Vehicle Apps. Data plans are provided by a select third-party telecommunication provider according to their terms and conditions. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, cell reception, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity and capabilities have additional terms and limitations and are subject to change, and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions.

IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES: Installations or alterations to the original-equipment vehicle or chassis distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The independent special body company, assembler, equipment installer, or upfitter is solely responsible for warranties for any such changes (or any effect they may have) to any of the parts, components, systems, or assemblies manufactured by GM. GM is not responsible for the safety or quality of design, warranty, features, materials, or workmanship of any installations by such independent suppliers.
- 28. Requires professional installation of a 19.2-kW (up to 80-amp max. output) wall charger on a dedicated 240V/100A circuit, sold separately. May require upgrades to the building's electrical service, panel or wiring. Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations.
- 29. Minimum 190-kW DC Fast Charger required (extremely limited availability in Canada), Requires use of public DC fast chargers, which have limited availability in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See Owner's Manuals for your vehicle and charger for details & limitations.
- **30.** Programming of four additional remotes is at customer's expense. Programming remotes is not a warranty expense.
- 31. Minimum 350-kW DC Fast Charger required (extremely limited supply). Requires use of public DC fast chargers, which have limited availability in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See Owner's Manuals for your vehicle and charger for details & limitations.
- 32. OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. Advisors certified by the International Academies of Emergency
- **33.** Requires a select service plan, working electrical system, cell reception, GPS signal, armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Check here for details and limitations.

- includes weight of the vehicle and trailering combination, including the weight of driver, passengers, fuel, optional equipment, and cargo in the vehicle and
- 41. Gross Axle Weight Rating (GAWR) is the maximum allowable weight to be placed on the individual axle.
- 42. Requires 6.6L Duramax® Turbo-Diesel engine and Max Trailering Package.
- 43. Requires 3500 HD Regular Cab Long Bed 2WD DRW with available Duramax® 6.6L Turbo-Diesel V8, Max Trailering Package and gooseneck hitch.
- 44. Requires 3.0L Duramax® Turbo-Diesel engine, Max Trailering Package, and 20-inch wheels and tires.
- 45. Limited to low speeds. Read the vehicle Owner's Manual for important feature limitations and information.
- 46. Requires available Accessory Power Bar and Power Station Offboarding Power
- 47. U.S. and Canada only. OnStar links to emergency services. Always pay attention while driving and when using Super Cruise. Do not use a handheld device. See chevroletsupercruise.ca/gmcsupercruise.ca for compatible roads and more information. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, cell reception, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity, and capabilities have additional terms and limitations and are subject to change, and will vary by model, vehicle configuration, software version, conditions, and geographical and technical restrictions. In-Vehicle Apps only provides wireless connectivity for select in-vehicle apps. Apps supported by the plan are subject to change at any time; may be provided by third parties; and may require accounts and/ or subscriptions. For AT&T vehicles, customers who also separately receive or purchase OnStar One or a Vehicle Data Plan to use Wi-Fi Hotspot and In-Vehicle Apps, the data provided as part of that plan will also be used by any Voice & Maps apps which already had data connectivity under this Basics plan; if any applicable data caps are reached. Voice & Maps apps will continue to function for the duration of this Basics plan but additional vehicle data plan(s) must be purchased to use Wi-Fi Hotspot and In-Vehicle Apps. For TELUS vehicles, The In-Vehicle Wi-Fi Hotspot service provided by TELUS is subject to the TELUS Mobility Service Terms, Fair Use Policy and Privacy Policy (found at: telus.com/ mobilityserviceterms, and telus.com/fairusepolicy, and https://www.telus. com/en/about/privacy, respectively); speed and signal strength may vary with your configuration, Internet traffic, environmental conditions, applicable network management and other factors; for a description of TELUS' network management practices, please see telus.com/optimization; the vehicle must be on or in accessory power mode to use the In-Vehicle Wi-Fi Hotspot.
- 48. Available on model year 2026 Silverado EV WT and LT Extended Range models. Based on preliminary GM testing. Actual production model may vary. May require optional trailering equipment to achieve maximum capacity. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount vou can trailer.
- **49.** Bose is a registered trademark of Bose Corporation.
- 50. Based on latest available competitive data.
